Sunday, November 1st and throughout the month of November-
The **International Day of Prayer for the Persecuted Church (IDOP)** is an observance in which congregations pray for Christians who are persecuted for their faith. Bold believers advancing the kingdom in hostile and restricted nations have needs as varied as the places they minister and the persecution they face. However, they all share one need – prayer. God is glorified as we prayerfully enter into the sorrows and victories of other members of the global body of Christ.
