Mennonite Disaster Service (MDS) is hiring a full-time Field Operations Administrative Assistant to support our national disaster recovery efforts. If you're organized, detail-oriented, and passionate about service, this is your opportunity to make a meaningful impact. MDS is also looking for a dynamic Volunteer Manager to lead our volunteer engagement strategy and support disaster recovery efforts. If you're passionate about service, leadership, and community, this is your calling. The complete job descriptions and application are available on our website at [mds.org](https://mds.org).

Exciting plans are underway as our youth group prepares for a mission trip to the Dominican Republic during Holy Week 2026. This opportunity will include teens, young adults, and adult chaperones from our church, all working together to serve through King's Quest, a mission organization based in Juniata County. While in the DR, the group will assist with a children's ministry, sharing God's love and building relationships through service and outreach. As they prepare spiritually and logistically, we ask the congregation to keep this team in your prayers — for safety, unity, and meaningful impact. More details about the trip will be shared during Mission Month in November. To help make this trip possible, the youth group is hosting several fundraisers this fall. Your support — whether through donating or stopping by, is appreciated. If you have questions, call or text 717-250-1147.
